AUTHOR'S CONTRIBUTION TO THE MANUSCRIPT

Details of individual author's contribution towards manuscript e.g. concept, literature search, figures, study design, data collection, data analysis, data interpretation, writing manuscript, supervision etc is attached below (AS PER FOLLOWING ICMJE CRITERIA)

To qualify as an author one should:

1) Have made substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;

2) Have been involved in drafting the manuscript or revising it critically for important intellectual content;

3) Have given final approval of the version to be published.

4) Authors agree to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Each author should have participated sufficiently in the work to take public responsibility for appropriate portions of the content. Acquisition of funding, collection of data, or general supervision of the research group, alone, does not justify authorship.
